

28 May 2024

Dear Shareholder

Please find attached the Notice of Annual General Meeting of Serica Energy plc (the "Company") to be held at 1:00pm on Thursday, 27 June 2024 at the offices of Peel Hunt LLP, 100 Liverpool Street, London, EC2M 2AT (the "AGM").

At this year's AGM, there are, as usual, a number of resolutions which shareholders will be asked to approve. These include, in line with our normal practice, approval of the Company's financial statements for 2023, re-appointment of the Company's auditors, the approval of a final dividend for 2023 and renewal of various share capital authorities passed at last year's AGM such as the authority to allot shares and for the Company to purchase its own shares.

This year, in line with the updates made to the Quoted Companies Alliance Corporate Governance Code in 2023 ('2023 Code'), and in recognition of the views of the Company's institutional shareholders to have increased governance practices in place across the business, shareholders will be asked to provide approval of the appointment and re-appointment of all directors. In addition, shareholders will be asked to vote on the Company's remuneration report, which is being put to an advisory vote at this AGM.

During the AGM, management will, as usual, give an update and take questions on the Company's activities.

As you will be aware, there have been some significant changes to the composition of the Board with the appointment of Martin Copeland as CFO, my replacing Mitch Flegg as CEO on an interim basis and Chris Cox being appointed CEO on 1 July 2024. These changes mean that we have a new executive team in place to take Serica into its next phase of growth and value creation.

In addition, Malcolm Webb, Senior Independent Director, has decided not to stand for re-election at the AGM after six years with the Company. It is not proposed to replace Malcolm so that the Board will be reduced to ten persons. Given the appointments over recent years, the Board has developed the depth and diversity required to oversee Serica's continued growth in activities. We will keep the composition of the Board under review to ensure that its expertise and efficiency remains appropriate to the Company's evolution.

In relation to the final dividend proposed for the year of 14 pence per share, I am delighted that we are able to request this authority which, if approved, will bring the total dividend paid in respect of 2023 to 23 pence per share. Together with the recently implemented share buyback, this underscores the confidence that the Board has in the Company's performance.

Resolutions 1 to 15 will be proposed as ordinary resolutions which means that more than half the votes cast must be in favour of the resolutions in order for them to be passed. Resolutions 16 and 17 are special resolutions which means that at least three-quarters of the votes cast must be in favour of the Resolutions.

Attached to this letter, following the Notice of the Meeting, are further details for each of the Resolutions. I hope these additional details provide full background and explanation. The Company's 2023 Annual Report, ESG Report and the Company's Articles of Association are published on our web-site www.serica-energy.com.

You will not receive a hard copy proxy form for the AGM in the post. You can instead submit your proxy vote electronically by accessing the shareholder portal at www.signalshares.com. If you have not previously registered to use the portal, you will require your investor code ("IVC") which can be found on your share certificate. If you are a CREST member, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. If you are an institutional investor, you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Alternatively, you may request a hard copy proxy form directly from the Registrar, Link Group. Full details of how to vote and appoint proxies and the contact details for Link Group are set out in the notes to the Notice of AGM.

Please submit your proxy vote so as to reach the Company's Registrar as soon as possible and in any event no later than 1:00pm on 25 June 2024 or, if you are a CREST member, by using the service provided by Euroclear. Shareholders are urged to submit your proxy vote as soon as possible and to appoint the chair of the AGM as your proxy, whether or not you intend to attend the AGM.

Yours faithfully

3. Alternatively, if you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. Further details are contained below.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures, and to the address, described in the CREST Manual (available via www.euroclear.com) subject to the provisions of the Company's articles of association. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK and International Limited's ("**Euroclear**") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID: RA10) by the latest time(s) for receipt of proxy appointments specified in this Notice of AGM. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee directly by the shareholder.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

4. Proxymity Voting - if you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 1.00pm on 25 June 2024 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
5. Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion withhold from voting.
6. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
7. Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.
8. As at closing on 22 May 2024 (being the last practicable date prior to the publication of this Notice) the Company's issued ordinary share capital consists of 393,468,408 ordinary shares of US\$0.10 each, of which 612,296 are held in treasury. Annual General Meeting of Serica Energy plc (the "Company"), Thursday 27 June 2024

Further Background and Explanatory Notes

Resolution 1 – Annual Report and Accounts

The Directors are required to present the Annual Report and Financial Statements for the year ended 31 December 2023 to the meeting. The Annual Report and Financial Statements 2023 are available at www.serica-energy.com

Resolution 2 – Directors' Remuneration Report

Resolution 2 concerns the approval of the Directors' Remuneration Report ('DRR') set out on pages 58 to 62 of the 2023 Annual Report. The Company is proposing this resolution in compliance with the updates to the 2023 Code and intends to propose this as an annual resolution at each future AGM. The vote at this AGM is an advisory vote and, as such, no entitlement of a director to remuneration is conditional upon it.

Resolutions 3 and 4 – Reappointment of auditor and remuneration of auditor

At each meeting at which the Company's accounts are presented to its members, the Company is required to appoint auditors to serve until the next such meeting. The Audit Committee oversees the relationship with the auditor. The Audit Committee is also responsible for the auditor selection process and for making recommendations to the Board for shareholder appointments regarding the appointment and reappointment of the auditors. Following an assessment of their performance, effectiveness and independence the Audit Committee recommended to the Board that Ernst & Young LLP be re-appointed as auditors. Further details can be found in the Audit Committee report on page 53 of the Annual Report.

Resolution 4 gives authority to the Board to set the auditor's remuneration. Details of the remuneration paid to Ernst & Young LLP can be found in Note 6 to the Annual Report and Financial Statements 2023.

Resolutions 5 - 13 – Re-appointment of directors:

Resolutions 5 to 13 concern the appointment and re-appointment of directors of the Company. The Board has, since last year's annual general meeting, appointed three new directors. In accordance with Article 83 of the Company's Articles of Association, Kaat Van Hecke, Sian Lloyd Rees and Martin Copeland are standing for appointment. As recommended by the 2023 Code, all other directors, being David Latin, Katherine Coppinger, Michiel Soeting, Jerome Schmitt, Robert Lawson and Guillaume Vermersch, are standing for re-appointment. Short biographical details for all the directors are set out on pages 38 to 40 of the 2023 Annual Report.

Resolution 14 – Dividend payment:

The directors recommend the payment of a final dividend of 14p per ordinary share in respect of the year ended 31 December 2023. In the event that the resolution is passed the dividend will be paid on 24 July 2024 to shareholders on the register on 28 June 2024. Taken together with the interim dividend paid to shareholders on 23 November 2023 would bring the total dividend paid in respect of 2023 to 23 pence per share.

Resolution 15 – Allotment of share capital:

Your directors may allot shares and grant rights to subscribe for, or convert, any security into shares only if authorised to do so by shareholders. The authority granted at the last annual general meeting is due to expire at this year's AGM. Accordingly, Resolution 15 will be proposed as an ordinary resolution to grant new authorities to your directors. In accordance with guidelines issued by The Investment Association, this resolution will, if passed, provide your directors with flexibility to allot shares and grant rights to subscribe for, or convert any security into shares (a) up to an aggregate nominal amount of US\$12,964,251.69 representing approximately one third of the Company's issued and voting ordinary share capital as at closing on 22 May 2024; and (b) up to a further aggregate nominal amount of US\$ 12,964,251.69 in connection with a fully pre-emptive offer, representing approximately a further one third of the Company's issued and voting ordinary share capital as at closing on 22 May 2024.

If given, this authority will expire on 30 June 2025 or at the conclusion of the next annual general meeting whichever occurs earlier.

Resolution 16 – Disapplication of statutory pre-emption rights:

Resolution 16 (which is conditional on resolution 15 being passed) will, if passed as a special resolution, renew broadly on the same terms as the authority given at last year's annual general meeting enabling your Directors to allot shares (and other equity securities) for cash and otherwise to existing shareholders pro rata to their holdings, up to an aggregate nominal amount of US\$3,928,561.12, representing approximately 10% of the Company's issued and voting ordinary share capital as at closing on 22 May 2024. The purpose of this authority is to enable the Company to take advantage of specific opportunities to raise additional finance quickly if required, and without the time, cost and expense of the Company having to publish a circular to shareholders. If given, this authority will expire on 27 June 2025 or at the conclusion of the next annual general meeting whichever occurs earlier.

The directors are aware that, in November 2022, the Pre-Emption Group ("PEG"), which provides best practice advice to listed companies and shareholders on pre-emption issues, issued a revised Statement of Principles on Disapplying Pre-Emption Rights (the "Statement of Principles"). Under this revised Statement of Principles, a company may seek shareholder approval by special resolution(s) for a non-pre-emptive issue of up to 10% of issued ordinary share capital on an unrestricted basis (as proposed under this resolution 16) plus an additional 10% of issued ordinary share capital in connection with an acquisition or a specified capital investment (announced contemporaneously with the issue, or which has taken place in the preceding 12 month period). Although some listed companies are seeking shareholder approval for this increased authority, the Directors believe, on balance, it is better to seek the same authority as last year rather than seek a bigger authority.

Resolution 17 – Authority for the Company to purchase its own shares:

In certain circumstances, it may be advantageous for the Company to have the flexibility to purchase its own ordinary shares and this resolution seeks authority to enable the Company to make market purchases of up to 39,285,611 shares, representing approximately 10% of its issued and voting ordinary share capital as at closing on 22 May 2024. The maximum and minimum prices are stated in the resolution. The authority will expire at the conclusion of the Company's next annual general meeting, or on 30 June 2025, whichever occurs earlier. The Board intends to seek renewal of this authority at subsequent annual general meetings in accordance with current best practice.

The Companies Act 2006 (the "Act") allows the Company to hold its own shares in treasury following a buyback instead of having to cancel them. This enables the Company to re-issue treasury shares quickly and cost-effectively and provides the Company with additional flexibility in the management of its capital base. Such shares may be resold for cash, but all rights attaching to them, including voting rights and any right to receive dividends, are suspended while they are held in treasury. The Company holds 612,296 ordinary shares in treasury at closing on 22 May 2024.
